# DISPOSABLE CATERING TABLEWARE BUYING GUIDE

---

In a changing world and with the growing concern for the environment, it is essential to be able to offer your customers ecological choices in terms of disposable, recyclable and biodegradable tableware. Today, many customers are more likely to buy your food and dishes if you offer the option of recyclable and compostable tableware, cutlery and kitchen accessories. Whether you are a caterer, a bistro or restaurant owner, hotel manager, or take-out restaurant, Solia offers a wide range of disposable catering tableware, which is elegant, stylish, practical and recyclable and/or compostable.

Look through this guide to learn more about all the possibilities available to you, in terms of compostable and recyclable materials, glassware, tableware, cutlery and food

packaging.

## What are the disposable and reusable materials available for catering tableware?

With the evolution of the recycling technology, the plastic has become easier to recycle, even for the food-related business. But this is not the only available material out there. Here is an overview of each material that we use to create our amazing disposable catering tableware collection.

### Eco-Friendly Plastic

As we have mentioned before, plastic is now much easier to dispose of and to recycle. Plastic can withstand high and long temperature and stands out by its versatility. Solia creates [high-end plastic catering tableware](#), cutlery, glassware, and catering accessories with sustainable plastic that is 100 % recyclable and reusable. You will find plastic trays, plastic plates, [plastic mini-dishes](#), plastic cutlery and more!

#### **Our recommendations:**

[PLASTIC BALL CHAIR WHITE 1.7 OZ \(CASE OF 200\)](#)

[Plastic Cocktail Cup 20 oz \(Case of 48\)](#)

[Cooking Pot 22 oz with Lid Transparent \(Case of 100\)](#)

## Sugarcane Pulp

First, using [disposable sugarcane pulp tableware](#) reduces pollution and energy consumption. Sugarcane dinnerware is extremely durable and will not deteriorate when handling oily, cold or hot food. Also, they are microwave safe. Finally, all sugarcane catering tableware can withstand various temperatures, from 10°F to 428°F. Solia provides you with an amazing selection of sugarcane bowls, sugarcane takeout packaging, sugarcane plates, sugarcane spoons, and more!

### Our recommendations:

[Sugarcane Bowl Ming 23.7 oz 5.9 Ø 2.4 H \(Case of 600\)](#)

[Ramekin sugarcane pulp 7.6 x 7.6 x 1.4 \(Case of 500\)](#)

[Laminated container sugarcane pulp 2 compartments 15.5 oz + 8.8 oz \(Case of 8 packs of 50\)](#)

## Palm Leaf

Arrived on the market about a decade ago, disposable palm leaf catering tableware has a wood-like appearance and is very prized in catering. Palm leaf is 100 % biodegradable and is highly durable. All [palm leaf tableware](#) is microwavable and can be used to heat leftovers or frozen meals. Finally, every piece of sugarcane tableware is moisture-resistant, so they will never get soggy or deformed.

### Our recommendations:

[Plate Areca deep palm leaf 100x100mm / 3.9x3.9" \(Case of 600\)](#)

[Palm Leaf Bali Ravier 2.8 x 2.8 x 1 \(Case of 600\)](#)

[Palm Leaf Bowl Bali D 4.7 x H 1.2 \(Case of 200\)](#)

## Bamboo

Besides being highly cost-effective and elegant, [bamboo tableware](#) is extremely durable and resistant. They are safe for the microwave, refrigerator, and oven, thus making them one of the best choices for businesses who want to go green (restaurant, bakery, bistro, hotel, catering business, etc). Solia wants to provide you with a sleek, high-end bamboo tableware collection, such as bamboo plates, bamboo bowls, bamboo skewers, bamboo cutlery and more.

### Our recommendations:

[Mini wooden crate 3.1" x 2" x 1.6" \(Case of 90\)](#)

## Glass

You may think that glass tableware is fragile and brittle, which can be rather impractical for catering needs. Solia keeps in mind to create glass tableware that is highly functional, but also that can present food in an elegant and eco-friendly way. All our glass tableware is 100 % reusable and dishwasher safe. Our [glass tableware collection](#) includes glass cups, glass mini-cups, glass trunked tubes, glass mini-dishes and glass appetizers spoons.

[Tonnelet 5.1 oz Real Glass Cup \(Case of 48 \)](#)

## What is the disposable tableware that you should get?

It really depends on what type of business you want to use your disposable tableware in. If you own a take-out restaurant, you will not use the same type of disposable tableware as if you work at a catering company. However, there are disposable tableware items that remain essential, regardless of your type of business. Here are some examples of disposable, reusable and biodegradable tableware that you should always have on hand.

### Disposable plates

Whether you are serving food at a restaurant, a cafeteria, on a catering event, or at a hotel buffet, plates are the very basic tableware that you should get. Having plates of multiple sizes will allow not to be caught off guard. Be sure that with Solia, you will have than your average-looking, white plastic plates to serve your guests and customers. Disposable plates must be sturdy, elegant, functional and sustain variable temperatures. You can choose among plastic plates, sugarcane plates, bamboo plates and palm leaf plates.
